

Metro State Student Organizations: Tivoli Atrium LED Board Policy

I. Introduction

The LED Board in the Tivoli is intended to promote the events and activities of the Student Life / Activities Offices of the three institutions located on the Auraria Campus and the Student Government Assemblies of the three institutions located on the Auraria Campus. Registered Student Organizations at Metro State are allowed to use the LED Boards for reasons of Advertising.

II. Policy

Usage of the LED Board is described in the LED EVENT BOARD Policy.

The Office of Student Activities may change descriptions and/or title of an event; in order to fit on the LED Board.

III. Posting

Student Organizations must fill out the Metro State Student Organization: Tivoli Atrium LED Board Application for each event or activity they want posted. Applications are available in the Metro State Office of Student Activities.
